

CHARTER MANAGEMENT

CHARTER CONSULTING

CAPABILITY

Gemstone has managed more than 2 million passenger movements from 18 different hubs across Canada for multiple clients. From the FEED stage through to the optimization of an operating charter flight program, our experienced air transportation managers and charter travel software can provide value to your project.

COST EFFECTIVENESS

Offers the highest standard and cost-effective air travel options and customer care.

COMPLIANCE

Produce comprehensive travel manifests in accordance with aviation regulations

RELIABILITY

Airlines have many commercial pressures to manage and factors outside of their control. Business charter services operate independently of these factors.

FLEXIBILITY

Arrange travel for groups on either a recurring or one-off basis

TRAVEL SUPPORT

Deliver peace of mind to travellers with extensive pre-travel support

SAFETY

Our top priorities are your safety, privacy and comfort.

**WHEN MOVING A LARGE WORKFORCE, EVERY MINUTE IS VALUABLE.
WE PROVIDE COST-EFFECTIVE CHARTER CONSULTING AND FLY-IN
FLY-OUT (FIFO) CHARTER FLIGHTS.**
