

TRAVEL LOGISTICS

FEATURES

Booking tools and travel services that keep your people productive even during travel disruptions.

TOTAL CONTROL

We put you in full control of your commercial travel budget by providing unbiased, competitive rates on commercial flights, hotels, and car rentals. Our services are completely scalable and customizable to suit all budgets.

STREAMLINE WORKFORCE TRAVEL

Streamline workforce travel planning, itinerary management, and expense reporting for your people, all in the one platform.

SIMPLE

We simplify the corporate travel experience, complex travel logistics and reduce company costs. We'll get your people to their destination as quickly as possible, no matter how remote they may be.

COMPLIANT

We help ensure compliance with existing company policies and procedures. Simply tell us what your requirements are and we'll guarantee to meet them so you never have to worry.

FULLY ACCREDITED

Gemstone Travel is fully accredited by the International Air Transportation Association and a member of the Association of Canadian Travel Agencies.
